

## REPORT

FROM

THE SECRETARY OF THE TREASURY,

IN

*Compliance with a resolution of the Senate, transmitting certain information relative to the Bank of the United States.*

JANUARY 23, 1832.

Read, and referred to the Select Committee on the memorial of the Bank of the United States, and ordered to be printed.

TREASURY DEPARTMENT,

January 23, 1832.

SIR: In further compliance with the resolutions of the Senate, passed on the 11th instant—

“That the Secretary be directed to furnish the Senate with the names and titles of the foreign stockholders in the Bank of the United States, if any document in his office will afford that information; and if not, to endeavor to obtain that information from the bank aforesaid, and lay it before the Senate as soon as possible, with the amount of stock held by each.”

“That the Secretary be directed to lay before the Senate, information, first, of the amount of debts due from individuals and bodies corporate to the Bank of the United States and its branches, distinguishing the amount secured by mortgage from that secured by personal security alone, and what portion of said debts are considered as standing accommodations to the customers of said bank and its branches.”

“That the Secretary be directed to lay before the Senate, a list of the directors of the Bank of the United States, and of the several branches; and a statement of the stock held by citizens of the United States, with the number of shares held by each, and the State or Territory of their residence; also, the amount of specie, according to the last return, in the vaults of the bank and its branches, distinguishing the part which belongs to the bank, the portion belonging individuals, and to the United States.”

“That the Secretary be directed to lay before the Senate, the monthly statements of the affairs of the Bank of the United States for the year 1831”—

I have the honor to transmit a communication from the President of the Bank of the United States; which, with the statements laid before the Senate on the 12th instant, contain all the information required by the resolutions

except the amount of debts secured on mortgage at the several branches of the bank, and the amount of debts, if any, which, at those branches, are considered as standing accommodations. The President of the bank not being fully informed as to these particulars, has called upon the branches for further information; which, as soon as received at the department, will be laid before the Senate.

I have the honor to be,

Very respectfully,

Your obedient servant,

LOUIS McLANE,

*Secretary of the Treasury.*

To the Hon. the PRESIDENT of the Senate U. S.

---

BANK OF THE UNITED STATES,

January 17, 1832.

SIR: I have had the honor of receiving your letter of the 12th instant, enclosing a copy of the resolutions of the Senate of the United States of the 11th instant, and in compliance with it, I now transmit the accompanying documents.

The first resolution requires "the names and titles of the foreign stock-holders in the Bank of the United States, with the amount of stock held by each." The statement marked A, furnishes that information.

The second resolution requires "the amount of debts due from individuals and bodies corporate to the Bank of the United States, distinguishing the amount secured by mortgage from that secured by personal security alone; and what portions of said debts are considered as standing accommodations to the customers of the bank and its branches." The statement marked B, contains this information.

The amount of debts secured by mortgage, in the statement, relates exclusively to the bank. The amount of debts similarly secured at the branches, is not reported, unless specially required. In order to comply with the resolutions, instructions have been given to the offices, and when their reports are received, the additional statements will be transmitted to you.

At the bank, no debts are considered as standing accommodations. The offices will be instructed to report what portion of their debts are so considered, and the result will, in like manner, be forwarded to you.

The third resolution requires "a list of the directors of the bank, and of the several branches; a statement of the stock held by citizens of the United States, with the number of shares held by each; and the amount of specie, according to the last return, in the vaults of the bank and its branches, distinguishing the part which belongs to the bank, the portion belonging to individuals, and to the United States." The statements marked C, D, and E, furnish this information. In regard to the last, the bank has no specie in its possession which does not belong to it.

I have the honor to be,

Very respectfully, yours,

N. BIDDLE, *President.*

Hon. LOUIS McLANE,

*Secretary of the Treasury, Washington, D. C.*
